YES

Patient-provider relationship can be established via telemedicine

TELEDENTISTRY

Used for evaluation, diagnosis, or treatment.

MENTAL HEALTH

For Medicaid and private payers, **audio-only telehealth** may be used. Reimbursement parity exists for mental health services. Special requirements for child-focused services.

AUDIO-ONLY

Audio-only telehealth can be used for **mental health services** only.

E-VISITS: Insurers must reimburse health care providers for asynchronous review by a dermatologist delivered through telehealth.
